Membership Coordinator Needed

Brenda Forsythe's, DVM. term as membership coordinator has been a valuable asset to the club. Since she is the show chairman for three horse shows this year, the membership job needs to be taken on by someone else. The job involves Processing the auxiliary (**local**) memberships which are usually most after the first horse show. Some of these will involve new AHA memberships to mail to AHA. AHA sends notices to their members for direct renewals by mail or internet. A membership list is maintained. Brenda can give more information and tutoring to get started. The membership is reported to the board in person or by mail.

This vital position is a job which is done at home at the job holder's convenience. Please contact Brenda, brendafs@aol.com, for information or Pres. Ashley Dillard jadillard@live.com

January Conformation Clinic

A good turn out of CCCHA members, 4H ers, and the FFA presenters enjoyed the sunny day at EWTC. The Nipomo FFA demonstration by their judging team and leader was a good introduction to FFA for the CCCAHA Youth. Everyone at the clinic got to judge horses and try to win prizes. Eric Wagner did a short "Form to Function" demo with the Arabian horses. Thanks to: The FFA, Sara Fike and the EWTC youth and horse owners who bathed and handled 4 stock horses and 4 Arabs for the two halter classes. The CCCAHA provided free pizza for the youth and their adult companion. Again Jerry Beatty, as he so often is, was there to collect the fees and order and serve the pizza. And of course, thanks to Brenda Gilardone, youth director, for organizing the youth centered event.

The full February Board of directors meeting notes were sent separately.
